## *Thank You to the Businesses!*

This publication is made available through the generous advertising sponsorship of the businesses listed throughout the newsletter. We wish to encourage your patronage of these establishments; they play a substantial role in the economic vitality of our community.

Waste Management thanks the residents of Wind Gap for smoothly adjusting to our new collection schedule. We are proud to serve you and your community.

# CENTER STREET PAVING PROJECT

Wind Gap Borough will be completing a Center Street Paving Project this year. East Center Street will be paved from the intersection of Park Avenue east to the intersection of Alpha Road and East Center Street. The Scope of Work includes Pavement Milling, including the curb line, a 19mm binder Bituminous Leveling Course and a 1.5" Depth, 9.5mm Bituminous Wearing Course. This project does not include any excavation for stormwater inlet boxes or pipe, so the traffic disruption is not expected to last longer than one week.

The Borough plans on advertising this project in late March and awarding the project in mid-April. Wind Gap Borough Council anticipates this project to start in June after the completion of the school year.

## MOVING INTO, OUT OF OR FROM HOUSE TO HOUSE IN THE BOROUGH?

moving home

A Moving Permit is required. The cost of the Moving Permit is \$5.00 and can be obtained at the Borough Office Monday through Friday 8:30a.m. to 5:00p.m. You can also pull up a form on the Borough's website at [www.windgap-pa.gov](http://www.windgap-pa.gov). The Moving Permit can be found under "Borough Office" then "Forms". Complete the form and mail it to the Borough Office at 545 East West Street, Wind Gap, PA 18091.

We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise. Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is **always** on hand.

## PLAN SLATE BELT TAKES A BIG STEP FORWARD

• Bangor • East Bangor • Lower Mount Bethel • Pen Argyl •  
• Plainfield • Portland • Roseto • Upper Mount Bethel •  
Washington • Wind Gap •

The future of the Slate Belt is beginning to come into focus.

The ten Slate Belt communities partnering together on a single comprehensive plan have developed an Issues and Opportunities Report and draft goals that will serve as the foundation for how the Slate Belt area can manage its growth, while maintaining its unique character and quality of life.

The report is the latest step in a two-year effort in which the boroughs of Bangor, East Bangor, Pen Argyl, Roseto, Portland and Wind Gap and the townships of Plainfield, Washington, Lower Mount Bethel and Upper Mount Bethel work to develop the first ever Slate Belt Multi-Municipal Comprehensive Plan.

The \$190,300 project is funded by Northampton County, the Community Action Committee of the Lehigh Valley, the Lehigh Valley Planning Commission, the ten municipalities and Fulton Bank through the Neighborhood Assistance Program Special Program Priorities of the Pennsylvania Department of Community and Economic Development.

The Issues and Opportunities Report, now available at <https://planslatebelt.org/>, contains information on demographics, housing, economy, land use, development and transportation for the area. A key finding is a significant shift in the area's economy over the past decade, but data in the report shows there's tremendous opportunity to grow the local economy by taking advantage of the Slate Belt's historic, cultural, rural and location assets.

A key component of the past six months was setting a draft vision and developing goals during charrettes, steering committee meetings, public events and an online survey. Along with the report, these goals will serve as a foundation for developing strong policies, actions and implementation items that address issues that cross municipal borders.

The Plan will be designed to help the municipalities to use their combined assets to work more efficiently, save money and ultimately better manage the growth in their communities as they plan for the future.

But much of that work will happen in the coming months during special events and in steering committee meetings, scheduled for 7 pm, the first Wednesday of every month at the Weona Park Community Center in Pen Argyl.

More information, including meeting dates, data for every community, resources and ways anyone can get involved, can be found at <https://planslatebelt.org/>.

## Do you know?

Life in Wind Gap Borough is more affordable thanks to an agreement between our community and Waste Management's Grand Central Landfill.

Through the borough's neighboring municipality agreement, the landfill in 2019 provided the borough with \$255,000 in cash payments and provided the borough with free weekly waste collection and disposal service and every-other-week recycling collection.

The waste and recycling collection service is estimated to be worth about \$260,000. The combined value of the monetary and service benefits is \$515,000.

Waste Management and Grand Central Landfill are thankful to operate in this community and are proud of the many things we do to be a good neighbor. If you have questions about our business, please call us at 1-888-373-2917.
