

WIND GAP NEWS - APRIL 2013

PARK PLAY AREA

The Wind Gap Borough park Kiddie Play Area will be receiving a much needed "make-over". The project includes removing all of the existing playground equipment, excavating the dirt and other base materials, pouring stones for drainage, spreading approved safety playground mulch, re-installing existing equipment and installing some new playground equipment. The timeline for this project is anticipated to be from April 1 through May 31, 2013. Optimistically, this project will not take the entire allotted time as long as the weather cooperates and there are no unforeseen delays. Your patience and co-operation during construction is greatly appreciated.
